for Human Capital Development and
Leadership Development

WHAT IS KORN FERRY ACADEMY?

Founded in 2020, Korn Ferry Academy is a career accelerator designed for growth and professional development for individuals, teams, and organisations. We operate as a distinct service line within Korn Ferry's Singapore Advisory division.

For business and HR leaders, our work imparts critical skills and mindsets they need to lead their organisations into the future. For mid-career professionals and entrepreneurs, our upskilling and support prepares them for the future of work.

Using cutting-edge learning technology, content experts and advanced teaching methods, Korn Ferry Academy brings you the best of Korn Ferry's global research and industry insights in a timely, accessible format.

As a SkillsFuture Queen Bee, Korn Ferry Singapore assumes a pivotal role in spearheading skills development and facilitating enterprise transformation. Our goal is to cultivate a highly skilled and competitive workforce, poised to seamlessly adapt to the evolving demands of various industries.

With generous funding support of up to 90% for enterprises in Singapore, we aim to enhance expertise through our cutting-edge training programs, enterprise transformation projects centered around critical themes, all aimed at fostering business transformation to define the future.

ACCELERATED LEARNING SOLUTIONS

Korn Ferry Academy offers short one to two day courses to deliver cutting edge insights and skills with fast tracked learning in Human Capital Development and Leadership Development, so your business stays ahead of the curve.

We work with trusted partners to help people and organisations navigate disruption, foster innovation, and shape the workforce of the future. Our steadfast ecosystem of partners enables us to develop and deliver hands-on learning experiences directly tied to real-world demands, championing human capital and leadership development.

Our modules offer flexibility in scheduling to build a comprehensive program to suit your business interests and carve out career path progression across three categories:

LEADING SELF

To foster self-awareness, resilience and agility to lead effectively.

LEADING TEAMS
